The board's statement on the proposed allocation of profit

Motivation

The group's equity capital has been calculated in accordance with the IFRS standards adopted by the EU and their interpretation (IFRIC) and in accordance with Swedish law through the implementation of the Swedish Financial Accounting Standards Council's recommendation RR30:06 (supplementary accounting rules for groups). The parent company's equity has been calculated in accordance with Swedish law through the implementation of the Swedish Financial Accounting Standards Council's recommendation RR32:06 (accounting for legal persons).

The proposed allocation of profit is based on 50 per cent of the current management result and 50 per cent of the realised result from the sale of properties reduced by standard tax of 28 per cent. This aligns with Wihlborg's dividend policy.

The board's view is that the proposed dividend will not affect the company's future business prospects. The dividend does not conflict with the company's financial objectives. The company's equity/assets ratio after the proposed dividend will be 30.9 per cent.

The company's liquidity including borrowing capacity has the capacity to contain the proposed dividend.

The board's proposal for record day

The proposed record day for the cash dividend is Monday, 28 April 2008.

Background

It was decided at the 2007 AGM that Wihlborgs' Election Committee shall comprise representatives from the three largest shareholders as well as one representative of the small shareholders – Aktiespararna. Based on ownership on 30 September 2007 the following election committee was formed: Anders Silverbåge, (Brinova Fastigheter AB), Peter Laveson, (Investment AB Öresund), Peter Lindh, (Maths O. Sundqvist) and Leif Franzon (Aktiespararna). Anders Silverbåge has served as the Chairman of the Election Committee. The three largest shareholders represents approximately 27 per cent of the votes in Wihlborgs. The Committee has the duty of presenting proposals to Wihlborgs' 2008 AGM regarding:

Activities of the Election Committee

The Committee held three meetings at which minutes were taken, between which regular contact was maintained amongst the members. As a basis for its activities, the Election Committee has met with the Chairman of the Board, the CEO and the company's auditor. Amongst other things the Committee has been informed of the company's strategy, risk management and control functions.

The Election Committee has discussed the size and composition of the Board as regards industry experience and competence. It was noted that the present Board of Directors functions well and that, in the assessment of the Election Committee, its composition and competence coincide well with the requirements. Sten K Johnson has notified that he does not wish to be considered for re-election.

The Election Committee proposes that: Erik Paulsson be appointed to chair the meeting, the board be comprised of seven members, Kerstin Fredriksson, Anders Jarl, Sara Karlsson, Helen Olausson, Erik Paulsson, Tommy Qvarfort and Johan Qviberg be re-elected and Erik Paulsson be appointed as board chairman. Kerstin Fredriksson	yes	yes
Anders Jarl	no	yes
Tommy Qvarfort	yes	yes
Johan Qviberg	yes	yes
Sara Karlsson	yes	yes
Helen Olausson	yes	no

The proposed Board of Directors in Wihlborgs therefore complies with the requirements of both the Stockholm Stock Exchange and the Swedish Code of Corporate Governance as regards the independence of its Board members. As regards fees for the Board of Directors, the Election Committee proposes SEK 820,000 (900,000) to be paid to the Board as the total amount of fees distributed as follows:

- SEK 220,000 (210,000) to the Chairman of the Board,
- SEK 120,000 (115,000) to other Directors not employed in the company.

Deloitte AB, with Torbjörn Svensson as auditor in charge, was elected at the 2004 AGM, to serve until the 2008 AGM. The Election Committee proposes that Deloitte AB, with Torbjörn Svensson as auditor in charge, be re-elected to serve until the 2011 AGM. Furthermore, as previously, remuneration to auditors is paid according to approved invoices.

The Election Committee proposes that the appointment of a new Election Committee prior to the 2009 AGM be appointed unchanged, i.e. that a new Election Committee be appointed no later than six months before the 2009 AGM comprising representatives of the three largest owners based on the most recent ownership information available immediately prior to announcement of the Committee members and a representative of the Swedish Association of Share Investors (Aktiespararna).

The Board of Directors

Decision on authority for the board to acquire and assign own shares, item 15.

Purpose of the authority

The purpose of the authority is to be able to continuously adapt the company's capital requirement and thus be able to contribute to increased shareholder value, and to be able to assign shares in connection with the financing of possible property or company acquisitions though payment using the company's own shares.

The 2007 annual general meeting gave the board this level of authority which was not exercised.

The board's proposal

The board's decision means that the board is authorised to acquire and assign its own shares as follows before the next annual general meeting.

A. Authority to decide on the acquisition of own shares

1. Acquisitions may take place of as many shares so that the company's holding does not exceed the number of shares which from time to time corresponds to ten (10) per cent of all the shares issued by the company.
2. Acquisition shall take place on Stockholmsbörsen.
3. Acquisition may take place on the Stockholmsbörsen at a price per share within the price range registered from time to time.
4. Payment for the shares shall be in cash.
5. Acquisition may take place on one or several occasions during the period prior to the next annual general meeting.

B. Authority to decide on the assignment of own shares

1. Assignment shall not exceed the number of shares which from time to time corresponds to ten (10) per cent of all the shares issued by the company.
2. Assignment may be made at Stockholmsbörsen, while deviating from the shareholders' preferential rights, as well as to a third party in connection with property or company acquisition.
3. Assignment may take place on the Stockholmsbörsen at a price per share within the price range registered from time to time.
4. The assignment of shares may take place on one or several occasions.
5. Consideration for the assigned shares can be paid in cash or in kind or through offset, or otherwise subject to conditions.

The board's statement according to Chapter 19, Section 22 of the Swedish Companies Act

The board proposes that the annual general meeting authorises the board during the period up to the next annual general meeting to acquire its own shares up to a maximum level of 10 per cent of all shares that are issued. The board had previously been given such authority and has during 2007 re-purchased 997,350 own shares equivalent to 2.6 per cent of outstanding shares. Up to this date in 2008 no own shares have been bought.

According to the Swedish Companies Act, the board shall issue a statement as to how the proposed acquisitions are justified bearing in mind the requirements that the type of activity, scope and risks demand of the extent of the equity and the company's consolidation requirements, liquidity and position in other respects.

The board's opinion on the matter is that the size of the liquidity and thus equity/assets ratio, as shown in the annual report for 2007, lies within the interval stated in the company's financial objectives. The authority to acquire own shares is therefore justified bearing in mind the type of activity, scope and risks. This also applies to the company's consolidation requirements, equity/assets ratio and position. Consideration has also been taken of the board's proposal for a cash dividend of SEK 6.25 per share.

Decision on authority for the board to decide on any new share issue corresponding to no more than 10 per cent of the outstanding shares, item 16

Purpose of the authority

To facilitate any future property transactions through a simplified decision process, it is proposed that the annual general meeting authorises the board on one or several occasions to decide on a new share issue corresponding to a maximum of ten per cent of outstanding shares.

The 2007 annual general meeting gave the board this level of authority which was not exercised.

The board's proposal

The board's proposal means that the board is authorised prior to the next annual general meeting, on one or several occasions, to make a decision on a new share issue up to a number that does not exceed 10 per cent of the total number of shares when the issue is authorised. The board shall have the right to decide on a deviation from the shareholders' preferential right as well as the regulation according to Chapter 13, Section 5, 1st paragraph 6 of the Swedish Companies Act (in kind, offset or other conditions).
