PRESS RELEASE

Wihlborgs to let premises for new city hall to Hørsholm Municipality

Wihlborgs has signed a lease with Hørsholm Municipality for 7,000 m² at Slotsmarken 13–15 in Hørsholm, Denmark.

Hørsholm City Hall will move into the property in February. The premises let by Wihlborgs to Hørsholm Municipality will meet all the necessary conditions for creating an attractive environment for employees and municipal residents.

“We want to offer the best public services, and we were therefore looking for a location that could accommodate all City Hall employees under one roof. This is possible at the Slotsmarken premises,” says Municipal Director Pernille Hallberg Salamon.

“We are pleased to be able to help Hørsholm Municipality with a quick solution based on their needs and welcome them as new Wihlborgs tenants. At Slotsmarken, the Municipality will have suitable premises that are easily accessible via public transportation and car,” says Ulrika Hallengren, CEO of Wihlborgs.
