## PRESS RELEASE

### **Søren Kempf Holm – new CEO of Wihlborgs A/S**

**Søren Kempf Holm joins Wihlborgs as CEO of its Danish subsidiary Wihlborgs A/S on 1 October. He succeeds Peter Ildal Nielsen, who has directed operations for 25 years.**

Søren Kempf Holm has an extensive track record in the property sector, including as CEO of Topdanmark Ejendomme and TK Development. He joins Wihlborgs from a role as associated partner for the Northern Germany property company Robert C. Spies, where he worked with developing the company's operations in the Danish property market.

"Given his extensive experience of business and property development as well as of working with properties across the entire value chain, Søren Kempf Holm is the right person to lead our continued growth in Denmark. He is warmly welcomed," says Ulrika Hallengren, CEO of Wihlborgs.

"Under Peter's leadership, Wihlborgs has been established in Denmark with a strong organisation, some really attractive products and a foundation built on healthy values. All of which I have great respect for and which I look forward to continuing, thereby enhancing Wihlborgs' already strong position in the Öresund region," says Søren Kempf Holm.

Peter Ildal Nielsen has chosen to step down after 25 years of loyal service to the company.

"Since 1996, Peter Ildal Nielsen has built the operations in Denmark into the professional property company it is today. It is a successful business comprising 125 committed employees and 800 customers, which provides excellent preconditions for continued growth. Peter's focus on growth and durability in combination with the capacity to always focus on "the positive experience" as well as being able to translate ideas into tangible offerings to our customers has impressed me deeply and makes me grateful," says Ulrika Hallengren.
